

RDI CENTER BASKET (Series RDI-C) 1x4' 2x2' and 2x4' Recessed

Designed for Classrooms, Corridors, Office Areas, Retail & Supermarkets

Options:

Emergency Ballast
Dimming Ballast
Multi-level switching
Drywall flange kits
are available
Non-perforated
matte white shield

Features:

- **Premium** grade recessed with an almost limitless range of applications.
- **Construction** die-formed and riveted, heavy gauge steel assembly. Metal shielding flexes over mounting studs on housing, for easy installation & re-lamping.
- **Finish** white (matte), polyester painted surfaces.
- **Optics System:** shields are perforated for direct & indirect illumination and contain a opal white acrylic overlay diffuser for visual comfort.
- **Completely** wired and ready to hang.
- **Electrical:** standard voltage is 120-277v, electro-magnetic, and energy saving ballast.

We carry replacement parts for all the fixtures we manufacture
