

SURFACE (S Series)
1x2' 1x4' 2x2' and 2x4'

Designed for Schools, Stores, Office, Rec Rooms, Corridors, Nursing Homes

2 X 4

2 X 2

Options:

Emergency Ballast
 Dimming Ballast
 Stems & Canopy
 Drop-Dish Plastic
 Silver Parawedge
 Gold Parawedge
 White Eggcrate
 Hexawedge
 Various Cells
 Wood frames in
 various sizes
 and colors.

Features:

- **Construction:** Spot-welded for rigidity and clean appearance. Ballast cover snaps into place to eliminate the need for tools when accessing the ballast. Diffuser is held within hinged frame door. Metal to metal design of the door eliminates most light leaks.
- **Mounting:** knock-outs provided for stem mounting.
- **Finish:** Powder painted white visible surfaces.
- **Optics:** Standard flat diffuser is clear .100 prismatic.
- **Electrical:** Standard voltage is 120-277V, 60 Hz. Standard ballasts are electro-magnetic, and energy saving. Optional ballast are available.

We carry replacement parts for all the fixtures we manufacture
