***Ideal for
Wet or
Dusty
Locations!***

Features:

- **Fiberglass** housings with continuous closed cell gasket and cam latches seal the enclosures.
- **Tough Diffusers** resist breakage and reduce replacement and maintenance costs.
- **En-Seal** gasketing offers unprecedented resistance to water absorption, tested 100% moisture free after 144 hours of submersion
- **Optics:** acrylic diffuser, internal crepe pattern allows a smooth exterior surface for ease of cleaning.
- **Brass** mounting studs are integrally molded into the body to facilitate lighting fixture installation.
- **Fixture** individually boxed

We carry replacement parts for all the fixtures we manufacture
