## STANDARD

The BLCsLED series is a group of 2', 3', 4', and 8' covered strip lights, which are designed as direct replacements for fluorescent strips. The BLCsLED series is designed to deliver general ambient lighting in a variety of indoor settings, including schools, offices, hospitals and stores, and is the perfect choice for both new construction and retrofits. This high-efficacy luminaire provides long-life and uniform illumination, as well as standard 0-10vdc dimming capability.
